UNIVERSITY OF TORONTO

TABLE OF CONTENTS.

I.—Acute Thyroiditis as a Complication of Acute Tonsillitis. By CLEMENT F. THEISEN, M. D., Albany.....	1
II.—The Diagnosis of Endocranial Complications of Suppurative Labyrinthitis. By ALFRED BRAUN, M. D., and ISIDORE FRIESNER, M. D., New York.....	9
III.—A Report of the Results of Seven Cases Operated Upon by Mr. Heath. By EDWARD M. PLUMMER, M. D., and HARRIS P. MOSHER, M. D., Boston.....	17
IV.—The Bronchoscopic Treatment of Spasmodic Asthma. By GEORGE F. KEIPER, A. M., M. D., Lafayette, Ind.....	53
V.—Vacuum Diseases of the Maxillary Sinus. By R. C. LYNCH, M. D., New Orleans.....	59
VI.—Indication for the Labyrinth Operation. With Report of Eight Operations and Six Cases in Which No Operation Was Performed. By CULLEN F. WELTY, M. D., San Francisco	66
VII.—When the Radical Mastoid Is Imperative. By J. CLARENCE SHARP, M. D., New York.....	74
VIII.—A New Esophagoscope. By RICHARD LEWISOHN, M. D., New York City.....	78
IX.—A Case of Cerebellar Abscess With Atypical Symptoms—Recovery. By ADAIR DIGHTON, F. R. C. S., Liverpool	81
X.—Bronchial Asthma and the Relation of Nasal Conditions To It. By W. J. ABBOTT, M. B., Cleveland.....	83
XI.—A Case of Recurring Laryngeal Polypi With Tetany. By R. BISHOP CANFIELD, M. D., Ann Arbor.....	93
XII.—Adenocarcinoma of the Nose; Chronologic Review and Case Report. By L. D. ALEXANDER, M. D., New York.....	97
XIII.—The Semicircular Canals and the Function of Equilibrium. By GEO. E. SHAMBAUGH, M. D., Chicago.....	111

XIV.—Syphilis of the Ear. By OTTO J. STEIN, M. D., Chicago	116
XV.—Esophagoscopy. By STANTON A. FRIEDBERG, M. D., Chicago	123
XVI.—The Epipharynx in Children. By EDGAR M. HOLMES, M. D., Boston	138
XVII.—Parotid Fistulæ Following Mastoid Operations. By DR. CORRADO CANESTEO, Genova, Italy	148
XVIII.—Fistula Symptom in Nonsuppurative Diseases of the Ear. By OSCAR BECK, M. D., Vienna	156
XIX.—A Case of Probable Injury to the Jugular Bulb Following Myringotomy in an Infant Ten Months Old. By JOHN RANDOLPH PAGE, M. D., New York	161
XX.—Countreoup Fracture of the Skull. By T. R. CHAMBERS, M. D., Jersey City	164
XXI.—Cancer of the Larynx With Special Reference to Radium Therapy. By JOSEPH C. BECK, M. D., Chicago	166
XXII.—A Short Study in the Etiology of Nasal Hydrorrhea, With Case Reports. By HARRY KAHN, M. D., Chicago	184
XXIII.—Studies Regarding Anaphylactic Reactions Occurring in Horse Asthma and Allied Conditions. By J. L. GOODALE, M. D., Boston	273
XXIV.—Intranasal Operation for the Relief of Nasolacrimal Stenosis. By E. M. HOLMES, M. D., Boston	286
XXV.—The Evolution of the Tonsillotome. By STANTON A. FRIEDBERG, M. D., Chicago	293
XXVI.—Chronic Influenza of the Nose and Throat. By LORENZO B. LOCKARD, M. D., Denver	323
XXVII.—A Study of Vincent's Angina. By J. J. RICHARDSON, M. D., Washington	335
XXVIII.—A Case of Cavernous Sinus Thrombosis Complicating Suppurative Labyrinthitis. By ALFRED BRAUN, M. D., New York	368

XXIX.—Nasopharyngeal Myxosarcoma: Several Operations and Final Spontaneous Recovery, Under Observation for Twenty-seven Years. By E. FLETCHER INGALS, M. D., Chicago373

XXX.—How the Patient Can Help Himself in Cases of Chronic Catarrhal Otitis Media. By STEPHEN H. LUTZ, M. D., Brooklyn377

XXXI.—Two Cases of Sarcoma of the Dura Mater Arising in Vicinity of the Mastoid Process, with Vague Symptoms Simulating Mastoiditis. Operation in Each Case Followed by Ultimate Death. By JOHN F. BARNHILL, M. D., Indianapolis381

XXXII.—A Case of Latent Mastoiditis Complicated by Toxic and Irritative Cerebral Symptoms, Accompanied by Blindness and a Streptococcemia Caused by Trauma—Operation—Recovery. By SAMUEL KOPETZKY, M. D., New York.....391

XXXIII.—(1) Sinus Operation; Resection of Internal Jugular Vein; Pneumonia. Metastatic Abscesses in Ankle Joints. Recovery. (2) Sinus Operation; Ligation of Internal Jugular Vein; Shock During Operation; Prolonged Convalescence. By M. D. LEDERMAN, M. D., New York.....395

XXXIV.—Further Remarks on the Use of Nitrate of Silver Applied Within the Mouth of the Eustachian Tube for the Relief of Tinnitus. By WILLIAM C. BRAISLIN, M. D., Brooklyn402

XXXV.—Temporosphenoïdal Abscess Secondary to Chronic Suppurative Otitis Media—Operation—Recovery—Radiographic Findings. By J. M. INGERSOLL, A. M., M. D., Cleveland404

XXXVI.—Diffuse Serous Labyrinthitis Complicating Acute Purulent Otitis Media. By ERNST DANZIGER, M. D., New York406

XXXVII.—A Case of Simultaneous Bilateral Cavernous Sinus Thrombosis Twelve Hours After a Simple Mastoid Operation. By ISIDORE FRIESNER, M. D., New York.....410

XXXVIII.—Cerebellar Abscess. By C. E. PERKINS, M. D., New York	413
XXXIX.—Meningitis Without Definite Symptoms, Occurring Late in Mastoidectomy Convalescence. By GEORGE E. STEEL, M. D., New York.....	416
XL.—Variations of Sphenoid Sinus Disease. By GEORGE M. McBEAN, M. D., Chicago.....	419
XLI.—The Results of Operation (Laryngofissure) for Intrinsic Cancer of the Larynx. By PROFESSOR E. SCHMIEGELOW, Copenhagen	523
XLII.—Tuberculosis of the Middle Ear. By H. H. BRIGGS, M. A., M. D., Asheville.....	529
XLIII.—Aural Complications in Typhoid Fever. By E. M. HOLMES, M. D., Boston.....	555
XLIV.—Cauterization of Mucous Membranes, Particularly of the Nasal Mucosa—A Protest. By ERNEST DE WOLFE WALES, B. S., M. D., Indianapolis.....	563
XLV.—(1) A Case of Suppurative Thyroiditis With Perforation of the Trachea. (2) An Unusual Infection of the Epiglottis and Larynx in a Child—Tracheotomy—Recovery. By CLEMENT F. THEISEN, M. D., Albany.....	569
XLVI.—The Importance of Disturbed Metabolism in the Etiology of Secretory Middle Ear Conditions. By J. E. SHEPPARD, M. D., Brooklyn.....	574
XLVII.—Report of a Case of Chronic Meningitis Possibly of Otitic Origin. By J. J. THOMSON, M. D., New York City	578
XLVIII.—The Use of Vaccines in Chronic Ear Infections, with Report of Cases Treated. By WILLIAM H. HASKIN, M. D., New York.....	582
XLIX.—Two Obscure Cases of Resolving Mastoiditis—The Operative Indications. By HUGH B. BLACKWELL, M. D., New York	588
L.—Report and Comments on Twenty-six Cases of Tonsillectomy, Two and a Half Years After Operation. By ALFRED LEWY, M. D., Chicago.....	592

LI.—Double Radical Mastoidectomy in Dementia Precox with Phenomenal Improvement in Mental and Physical Condition. By GEORGE E. DAVIS, M. D., New York.....597

LII.—Furunculosis of the Ear with Treatment by Vaccines. By H. BEATTIE BROWN, M. D., New York.....600

LIII.—Some Labyrinthine Studies. By JAMES A. BABBITT, M. D., Philadelphia.....607

LIV.—Pemphigus Involving Primarily the Mouth and Throat, with Report of Cases. By ROBERT SONNENSCHN, M. D., Chicago.....619

LV.—Further Observation on Some Anatomic and Clinical Relations of the Sphenoid Sinus to the Cavernous Sinus and the Third, Fourth, Fifth, Sixth and Vidian Nerves. By GREENFIELD SLUDER, M. D., St. Louis.....755

LVI.—The Value of Eye Symptoms in the Diagnosis of Obscure Chronic Sinus Disease. By LUTHER C. PETER, A. M., M. D., Philadelphia.....759

LVII.—Leprosy of the Upper Respiratory Tract, with Report of a Case. By JOHN HORN, M. D., New York.....765

LVIII.—The Dynamics of Nasal Development—Its Bearing on Resection of the Septum. By WILLIAM WESLEY CARTER, A. M., M. D., New York City.....779

LIX.—Report of Cases of Aural Infection With the Streptococcus Capsulatus. By CHARLES E. PERKINS, M. D., New York784

LX.—Histologic Pathology of the Nose. By JOSEPH C. BECK, M. D., Chicago.....790

LXI.—The Sociologic Aspect of Deafness, Congenital or Acquired in Early Life, With a Suggestion for a Betterment Through Indirect Effort. By H. B. YOUNG, A. M., M. D., Burlington, Iowa827

LXII.—Etiology and Prophylaxis of Tuberculous Laryngitis. By JULIUS DWORETZKY, M. D., Otisville, N. Y.....835

LXIII.—The Influence of the Nose on Eye Affections as Evidenced by a Case of Bilateral Blindness and One of Unilateral Scintillating Scotoma Cured by Operations on the Ethmoid Cells. By H. W. LOEB, M. D., St. Louis.....859

LXIV.—The Clinical Significance of Bacteremia. By J. E. SHEPPARD, M. D., F. A. C. S., Brooklyn.....864

LXV.—A Case of Septic Infection of the Parotid Glands Resulting Fatally. By F. E. HOPKINS, M. D., Springfield..871

LXVI.—Two Cases of Extensive Fibromyxoma of the Nasopharynx. By JOHN EDWIN BROWN, M. D., Columbus..874

LXVII.—A Case of Papilloma of the Larynx Treated by Radium. By F. E. HOPKINS, M. D., Springfield.....875

SOCIETY PROCEEDINGS.....189, 428, 625, 881

New York Academy of Medicine, Section on Otology....189
